ATTENTION EXHIBITORS - RULES AND REGULATIONS

1. Only youth enrolled in 4-H by January 1 of the current year are eligible to exhibit any animal or projects for premiums. If members have joined after January 1st, they may exhibit their projects as display only and they will receive a 4-H Participation ribbon. Please mark Participation Only on entry cards and vouchers and inform the 4-H staff.
2. In the event premium money is deleted or decreased from the New York State budget, premiums will be adjusted accordingly.
3. Only projects that have been completed during the current 4-H year are eligible to be exhibited in one of the following sections. The exhibits must be grown, made, or prepared by exhibitors and related to their 4-H projects. **NO WORK OR PROJECTS DONE IN OR FOR SCHOOL, SCOUTS, OR OTHER YOUTH GROUPS CAN BE EXHIBITED IN THE 4-H DEPARTMENT.**
4. **Advance entry sheets are required for all animal exhibits and club display areas only.** Please pay close attention to the entry deadlines. Animal entry forms are included in the fair entry information sent to members and are available in the 4-H office. Club display requests are sent directly to the club leaders. Extra forms may be obtained from the 4-H office.
5. All exhibits in this section will be governed by the state general rules and regulations that apply to other departments, except that no entry fee is required.
6. **All exhibits, except animal classes, are required to have an entry card securely attached.** Members are required to fill out cards completely prior to judging day. Entry cards can be obtained from the 4-H office. Note that some classes require additional information listed in the fair book section. This information is to be completed on the entry card and attached to the exhibit prior to judging. Read the entire section for the entry in the fair book carefully.
7. **4-H members must fill out a voucher sheet listing ALL their 4-H animal and building exhibits. Vouchers must be on file with the 4-H staff by the close of the fair to be considered for premiums for participating at the Ontario County Fair.** There will be a box in the 4-H building on the fairgrounds where all vouchers are to be placed. Vouchers can be obtained from the 4-H office prior to fair week. Cloverbud exhibitors should list their exhibits on a Cloverbud voucher and turn it into the 4-H office at the fair.
8. We appreciate the cooperation of parents with assisting 4-H members in making out entries but the youth should be encouraged to do their own entry cards and vouchers. Judges look at this as part of the exhibiting process at the fair.
9. All domestic project (non-animal) exhibits will be evaluated in Wolcott Park at the fairgrounds at the scheduled time before the start of the fair. Exhibitors should bring their entries and be present while they are being evaluated. This is a time for the 4-H member to talk to the evaluator who will provide direct feedback to the youth about their project. Parents are encouraged to listen to the judge's suggestions but let the 4-H member do the talking. If an exhibitor is unable to be present for judging day, prior arrangements are to be made with the 4-H office concerning this matter.
10. Club booths and exhibits must be set up in the 4-H building during the scheduled time before the opening of the fair. If clubs wish to set up at a different time, please call the 4-H office to arrange a different time. Clubs are to supply push pins, staplers, tablecloths, string, etc for their club display. **These items are not supplied by the 4-H office.** No nails or screws may be used in the booths. Shelves and display units are very limited for use of clubs. Clubs are to bring their own tables, etc. to display projects on.
11. Cloverbud exhibits are for display only. A Cloverbud ribbon will be awarded to the exhibit.
12. **THERE ARE NO PREMIUMS AWARDED TO CLOVERBUDS.**
13. An exhibitor is allowed to enter up to two (2) exhibits per class, unless otherwise noted. Any class that is entered in more than once must have exhibits that are not similar and have different learning techniques.
14. **Exhibits must be picked up during the scheduled release time. IF ANY EXHIBIT IS PICKED UP BEFORE THE SCHEDULED RELEASE TIME, THE VOUCHER WILL BE PULLED AND THE EXHIBITOR WILL RECEIVE NO PREMIUM. If an exhibit cannot be picked up during the scheduled time, please make prior arrangements with 4-H staff to pick items up at a later date.**
15. State Fair participants must be nine by September 30 of the current year and not have reached their nineteenth birthday prior to January 1 of the current year. Projects done by 4-Hers who have not reached their ninth birthday by September 30 of the current year may have their projects selected for Cloverbud display only (not evaluated) at the State Fair.
16. No smoking, alcohol or illegal drugs are permitted in the 4-H building at the fairgrounds.
17. The Ontario County Agricultural Society and Cornell Cooperative Extension in Ontario County assume no responsibility in case of loss or damage to exhibits from any cause (this includes water damage, fire, theft, etc.).
18. Weeklong fair passes can be obtained from the Ontario County Fair Office and are available at the 4-H judging area during exhibit judging day.
19. Eligibility to represent Ontario County 4-H Program as an exhibitor at the New York State Fair is contingent upon appropriate participation in the Ontario County Fair. All 4-H projects exhibited in the 4-H building will be selected by the judge's and 4-H staff and left to their discrepancy.

If the rules stated in this book are not followed, the exhibit will be marked down one place or disqualified. Please read all the above information and class requirements carefully.

What Blue, Red, White, and Green Ribbons Mean

Judging in 4-H is an evaluation process, NOT a competition. The Danish System of Judging is used. Each item is judged according to a standard (set of criteria) rather than against each other. The criteria should be known prior to the evaluation process by the 4-Her, leader, parent, and judge. When determining how closely a product or presentation meets the “Standard”, we must always think of the standard in terms of the capabilities of children of a similar group.

There is no limit to the number of items that can receive each level of award (Blue, Red, and White). With very few exceptions, every item is awarded a ribbon of some kind. Judge’s written comments provide encouragement and point out the path for improvement. This evaluation serves that same purpose as a teacher’s correction of a student’s homework; it gives the members an opportunity to learn from their work and thus is an essential part of the learning process. Ribbons or ratings indicate the general quality of workmanship achieved.

Blue (Excellent)

The workmanship shows little room for improvement compared to the relative standard. Comments could suggest something to try in the future as abilities grow.

Red (Good)

The workmanship is satisfactory or “average”, but there are definite areas for improvement, even considering the age and abilities of the child.

White (Worthy)

The workmanship shows that little effort has been made and that the finished product is useable for the purpose intended. However, there is much room for improvement, even considering the age and abilities of the child.

Orange (Participation)

For members who joined after January 1st, but still have 4-H projects on display at the fair. The projects do not get evaluated, but are placed in the club booths and 4-H staff is notified. Participation ribbons are given to 4-Hers whose projects receive no award.

Green (Cloverbud)

Given to recognize the participation and achievement of Cloverbud members in the judging process. This is to eliminate comparison and misunderstanding among young members. Cloverbuds are not evaluated at the fair but have the opportunity to talk to a judge about their 4-H project.

State Fair Selection Ribbons:

Entries that are selected for the State Fair judging will be marked with a sticker and a selection ribbon. Exhibitors will receive information from the 4-H office about exhibiting procedures. Some items maybe selected for display only at State Fair and will be marked accordingly. These items will not be judged at State Fair. Cloverbud entries selected for State Fair are for exhibition only.

4-H ANIMAL SCIENCE RULES AND REGULATIONS (Updated for the 2010/2011 year)

Deadlines: The following are due to the 4-H office no later than the date listed below.

June 1st of the current year - 4-H Horse Blue Sheets along with Rabies and Coggins Certificates

July 1st of the current year - 4-H Animal Entry Form

Any form received after July 1st MUST have a written and signed explanation as to why the entry is late. If the entry form and written explanation is submitted late, then the matter is reviewed by the 4-H staff as to whether or not the 4-H member is allowed to participate. If the form is late again the next year, there will be no review and the exhibitor will not be allowed to participate.

2010 NEW YORK STATE ANIMAL HEALTH REGULATIONS CAN BE FOUND AT

<http://www.agmkt.state.ny.us/AI/FairRequirement.pdf>

1. 4-H ownership of all animals are as follows: Horses –May 1,
2. Beef/Market Animals –May 1 and all other animals by June 1.
3. Each exhibitor must furnish enough feed and bedding for their own animals - also feed boxes and water buckets. Each exhibitor is responsible for their own animal or secures another exhibitor to do it.
4. All animals must be on the grounds all week per instructions from the State Vet except for Dog Exhibits.
5. Exhibitors must show their own animals on the show day unless they are showing another species of animal in a performance class, which occurs at the same time. Alternate exhibitors must also be 4-H members. Please inform the Superintendents of both species and inform the 4-H Animal Science Staff member prior to the shows.
6. **HEALTH REQUIREMENTS: PLEASE READ THE NYS DEPARTMENT OF AGRICULTURE & MARKETS ANIMAL HEALTH REQUIREMENT BOOKLET FOR THE CURRENT FAIR SEASON. (Changes are made every year to the requirements so, please read this booklet every year! The booklet is located in this fair book. A new one will be sent in the supplement for next year.)**
7. **Exhibitors remaining overnight:**
Reminder: ALL parents are responsible for the chaperoning of their children when they are on the fairgrounds, or must obtain an adult chaperone over the age of 21 for them while not in attendance.
 - No exhibitor may remain on the fair grounds overnight unless under direct adult supervision with written parental permission. This permission slip will include a medical release form.
 - **NO 4-H YOUTH WILL STAY IN ANY BARN.**
 - All participants staying on the grounds in trailers or tents will be supervised by their parents, or a guardian authorized by their parent.
 - No unauthorized person will be allowed in the barns after 11:00 PM
 - There will be no community water tubs.
 - Water fights of any kind in the barns or around the facilities where the public is **will not** be tolerated!
 - Smoking is *not* permitted in or around the barns. There will be no use of illegal drugs or alcohol by participants.
8. Appropriate registration papers must accompany animals shown as registered breeding stock. Animals without registration papers will be shown as grades.
9. Any animal exhibited by a youth member may be subject to drug testing as deemed necessary by the Superintendent, Educational Coordinator, 4-H Extension Educator, or Departments of Agriculture and Markets. In the event that a positive result is obtained, the youth will be barred from showing animals at the Ontario County Fair, forfeit all premium money and awards and will be referred to the Ontario County 4-H Office.
10. All exhibitors are encouraged to keep their animals and the building clean and attractive at all times, since a county Fair exhibition constitutes a public display. Exhibitors are urged to conduct themselves and their exhibits in a manner to reflect credit on 4-H and their industries. Upon removal of their animals from the exhibit, the exhibitors are required to leave the areas that have been occupied by their animals clean of straw and manure, and ready for occupancy. Straw and manure must be removed from the barn.
11. In the event that the animal or animal's products are sold at the Fair, the youth will be required to re-pay any money received. The only animals allowed to be sold are market animals that are participating in the Ontario County Fair Livestock Auction and to be sold at that time.

4-H POULTRY

Section LL

- The 4-H Poultry Show will be judged according to the Poultry Standard of Perfection book, 4-H Fitting and Showmanship Members Guide, and the NYS 4-H Poultry Judging book. The members guide and judging books are available at the 4-H office. The poultry Standard of Perfection book will be available to see at the Clinic in May. All exhibitors are expected to follow the dress code listed in the 4-H Poultry Judging book, which outlines the dress code for the show as black or dark colored pants, and a white shirt or blouse. You will lose points in all classes if you are not dressed properly.
- All families that exhibit poultry MUST select 1 evening to sit in the poultry barn from 6 pm -10 pm. If you do not select an evening that works best for you, one will be assigned. If unable to stay and help due to circumstances, you need to make arrangements with another family in the poultry area. Any youth 14 or over may close the barn at closing time.
- All exhibitors will submit a completed Animal Science Record to department superintendent when bringing in the animal.

Rules:

1. Showmanship class will begin at 12:00. You will need to sign up on the posted sheet for preferred order of exhibiting.
 2. Any entries with lice or mites will be asked to leave the fairgrounds.
 3. Entries to be caged on grounds by Tuesday at noon.
 4. Members are limited to 15 fair entries with the meat bird entry being one entry.
 5. Feed **must** be provided for all poultry on exhibit.
 6. Exhibitors should consider the possibility of exhibits being lost, strayed, or stolen during fair week. Care will be taken to prevent losses, but superintendents and the Fair Association cannot assume responsibility.
 7. All poultry except waterfowl and pigeons shall have originated from US pullorum-typhoid clean or equivalent flocks, or have a negative pullorum test within 90- days of the Fair. The pullorum certificate must be sent in with entries.
(Photocopies are acceptable)
 8. Awards will be presented at approximately 4 p.m. or at the completion of the show, whichever is later.
 9. Exhibitors should check in with superintendents who in turn will assign cages for birds to be exhibited.
 10. Birds are to be removed on Saturday of the fair when approval is given by the superintendent.
 11. Cages must be cleaned by exhibitor upon removing the birds and will begin at 5:00 p.m. Saturday.
 12. Failure to clean cages or to follow rules in general will result in no ribbon or premiums to the exhibitor.
- All classes are in cage except showmanship classes. The judge will walk from cage to cage judging. All entries in these classes will be judged according to standard of perfection. They will receive a blue, red, or white ribbon. For classes with five or more entries, the judge will then select a best of class and a reserve best. They will receive special awards. Various cash awards will be given out, as well as various trophies - Best Pullet, Best Hen, Best Cockerel, Best Rooster, and Overall Grand Champion of Show will be judged and awarded at the end of all the classes.

Rooster Crowing Contest:

A Rooster Crowing Contest will be held at noon each day of the fair from Tuesday until Saturday. Each youth exhibitor will be allowed to enter 1 bird each day. Roosters are given a 15-minute time limit. The rooster who crows the most in the 15 minutes will be the winner for that day. Once a rooster has won it will not be allowed to compete in further contests during the week.

Poultry Schedule:

Poultry Production Judging contest will be Tuesday at 1 PM, Poultry Show will be Friday at noon. Animal Costume Contest will be on Saturday with all other species.
